The market left off with increased

closeness for currency. The balance of trade is again largely in favor of the seaboard, and throughout the Wast there is complaint of stringency in Eastern exchange. Chicago bankers find it necessary to remit currency to meet their drafts. In Cincinnati the demand is in excess of the offerings. The market here is [Special Dispatch to Western Associated Press.] very closu, with an active demand. Rates are firmer at par buying and ‡ premium selling.

In Chicago currency is reported a shade easier for legitimate purposes, but speculators get no countenance and are being forced to close up their accounts. Advances on produce, unless for shipment, are very difficuit to obtain, and this is especially the case with grain paper, owing to the anconcement of proprietors of elevators that the grain in store is heating.

The Cincinnati Gazette says: "The sup tion appointed a committee, to arrange peared here. We have often wondered that ply of currency is gradually increasing, and appropriate exercises on the occasion, con- Yankee cunning did not start an enterprise | bankers are growing comfortable in this line, The Approaching Holinars.—One is forcibly reminded of the approaching holidays by the rush to the Metropolitan, and unless we had a calendar at hand to convince us to

> note, that the inference was not vainly price closing at 1451 @1451. Government bonds are all steady, having experienced no perceptible effect from the ried. There will be singing by pupils of ORPHAN ASYLUM.—The anniversary meetthe school, and very brief addresses by ing of this useful institution will be held at The Cincinnati Gazette says proprietors of elevators in that city receive grain only on condition that it be removed upon notice

Some difficulty experienced from heating has prompted this measure. Local commercial circles continue dull .children of the Asylum will sing a number The movement of Flour, as indicated by the of this being very illiterate and constantly under the influence of drink, his bail of ing to get their winter's supply of this coal very pleasant and profitable meetings. It we would say that the agents for this city mulation of supply of consequence. Wheat is heavy and mainly nominal, though holders manifest no disposition to make concessions for the sake of selling. Corn is in fair
